

# Small Business Loans

***We care about you, your business, your workers, and our community.***

Covid-19 has quickly changed our day to day lives. Change, especially sudden changes, can be pretty difficult.

What has not changed, and will not change, is that we are here for you. If you want to talk about additional credit, ***please call***. If you want to review your financials and take a deep look at what cash flow may be over the coming months, ***please call***.

Ravalli County Economic Development Authority (RCEDA) is open and here to talk with you.

Partnerships make all the difference in times of chaos. RCEDA, Farmers State Bank, First Security Bank, First Interstate Bank and Trail West Bank have come together to offer special loans, unique to each business and their needs if your revenue has suddenly been affected by current Corona virus events. Call 375-9416 or email [julie@rceda.org](mailto:julie@rceda.org) or [john@rceda.org](mailto:john@rceda.org)

***Our partners, the Ravalli County Commissioners and City of Hamilton, provide long term and predictable support to RCEDA so that we are able to serve your business.***

#### The basic loan requirements:

- Short term (2 to 3 years)
- Flexible repayment schedules
- 2 years of historical financials and tax returns required
- Minimum loan \$5,000
- Security required
